Opener

Sides Face Grand Square

There were bells, on a hill, but I never heard them ringing,
No, I never heard them at all, till there was you,

Allemande left and you **weave**

There were birds, in the sky, but I never saw them winging,
No, I never saw them at all, till there was you.

Figure: Twice for Heads and Twice for Sides

Heads(sides) square thru four hands round, you make a **right hand star** and turn it,
The heads **star left** full turn, a **right & left thru** & turn,

Swing thru and then, **swing thru** again, **swing** that corner **promenade** that ringo,
No, I never heard them at all, till there was you.

Middle Break

Sides Face Grand Square

[Guitar solo]

Allemande left and you **weave**,

And there was music, and wonderful roses,
They tell me, in sweet fragrant meadows of dawn, and dew.

Closer

Sides Face Grand Square

And there was music, and wonderful roses,
They tell me, in sweet, fragrant meadows of dawn,

Allemande left and you **weave**

There was love, all around, but I never heard it singing,
No, I never heard it at all, till there was you.
