

CHIC-1029 “Rolling Along”

(Key of G)

Original song written and recorded by The Mavericks (2017)

Called By: Scott Smith
St. George, UT

Opener

Circle Left

Life isn't easy, it's uphill believe me, whether you're weak or you're strong,
Allemande your corner, run back and **Dosado** her, **Allemande Left & Weave** right along,
Sometimes you feel like you're back on your heels, and everything's going all wrong, **Promenade**
I've found a cure, and it works for sure, just keep rolling along.

Figure: Twice for Heads and Twice for Sides

Head (sides) two **Square Thru** and you get 4 hands around you do, find the corner lady with a **Dosado**,
Swing Thru tonight, all the **Boys Run Right**, **Ferris Wheel** walkin' on in let's go, **Touch 1/4**
Scoot Back you do, face your partner **Pass Thru**, **Swing** the corner **Promenade** her on,
Forget the past, cuz storms never last, just keep rolling along.

Middle Break

Sides Face Grand Square

So bring on the trouble and burst every bubble, I promise it won't change a thing,
I always find that my peace of mind, still flies like a bird on the wing,
Allemande & Weave
What's gonna happen most likely will happen, that's one thing that you can count on
This is the cure, it's simple and pure, just keep rolling along.

Closer

Sides Face Grand Square

So bring on the trouble and burst every bubble, I promise it won't change a thing,
I've always found when life gets me down, there's still lots of good songs to sing,
Allemande & Weave
What's gonna happen most likely will happen, that's one thing that you can count on
This is the cure, it's simple and pure, just keep rolling along.
