“That’s What Happens in Every Little Honky Tonk Bar”

George Strait
(Key of E)

Called By: Charlie Robertson

(Charlie appears courtesy of Crown and Lou Mac Records)

Opener

Circle Left

Whiskey is the gasoline that lights the fire that burns the bridge
Ice creates the water that’s no longer running under it

Men Star Right, one time round you know

Allemande Left, then you **Weave** the ring

Cigarettes create the smoke that hides the lonesome in his eyes

Jukebox plays Hank, I’m so lonesome I could cry

And that’s what happens in every little honky tonk

Bar.

Figures

Heads **Square Thru**, four hand round you know

Find that corner girl and **Dosado** her now

Swing Thru, **Boy Run Right**

Bend the Line and do the **Right & Left Thru**

You **Flutter Wheel** across the ring, **Slide Thru** and then

Swing the Corner, you **Promenade** again

And that’s what happens in every little honky tonk

Bar

Middle Break/Closer

Grand Square

Friday night, it’s a given

I’ll be L-I-V-N, livin’

We’ll dance on the bar ‘til we’re sleeping it off in the

Car, **Allemande Left** and you **Weave**

Monday morning, it’s a given,

I’ll be D-R-A-G-N, draggin’

And that’s what happens in every little honky tonk

Bar.

Tag

Allemande Left come back and Swing

That’s what happens in every little honky tonk bar.
