Opener

Circle Left

I say let us put man and woman together to
find out which one is smarter!

Men Star Right once around you go
Left Allemande and **Weave that Ring** you know
Oh, not me! But the people they say,
Swing your girl and **Promenade** that way
But I say that the women today,
smarter than the man in every way!

Figure: Twice for Heads and Twice for Sides

Heads/Sides **Right and Left Thru**, across you go
Lead Left and now **Veer Right**
Bend the Line, Touch $\frac{1}{4}$ you know
Circulate, And now the **Boy you Run**
Pass Thru, Left Allemande and then come back and
Swing and **Promenade** the ring
That's right, the woman is smarter!
That's right; that's right!

Middle Break

Circle Left

Ever since the world began
Woman was always teaching man.
Men Star Right once around you go
Left Allemande and **Weave the Ring** you know
That's right, the woman is smarter!
Swing your girl, and **Promenade** the world
That's right, the woman is smarter!
That's right; that's right!

Closer

Sides Face, Grand Square

Methuselah spent all his life in tears
Without a woman for nine hundred years.
One day he decided to have some fun,
The poor man never lived to see nine hundred and one!
Four Ladies Chain you go across the ring you **Chain 'em**
home and **Promenade** I sing
That's right; that's right!
