Opener

Circle Left

Hey, I'm laying with my baby on the riverbank, he looked over, lazy, and he gave me a wink,
The boys **star right** turn it one time and go, **left allemande** the corner now **weave** that ring,
It feels good, good, good...Yes it feels right, right, right.
It feels good, good, good, so we're gonna lay back and let it ride.

Figure: Twice for Heads and Twice for Sides

Heads(sides) **promenade** and take it ½ way around, Walk in & **square thru**, four hands around.
Go all the way and do the **right & left thru**, you **pass thru** and **trade by** and then **swing thru**
Spin the top, and **slide thru**, **Swing** that corner honey **Promenade** you do
It feels good, good, good, so we're gonna lay back and let it ride.

Middle Break

Circle Left

I bought a scratch-off ticket, yeah the winning kind, when I saw those “lucky 7's” in the checkout line,
The boys **star right** turn it one time and go, **left allemande** the corner now **weave** that ring,
It feels good, good, good...Yes it feels right, right, right.
It feels good, good, good, so we're gonna lay back and let it ride

Closer

Circle Left

You got your weekend warriors, party all night long, you got them moonshine lovers just getting' it on,
The boys **star right** turn it one time and go, **left allemande** the corner now **weave** that ring,
It feels good, good, good...Yes it feels right, right, right.
It feels good, good, good, so we're gonna lay back and let it ride
