Opener

Sides Face Grand Square

Desperado, why don't you come to your senses
You've been out riding fences, for so long now **Allemande & Weave**
Oh, you're a hard one, but you've got your reasons
These things that are pleasing you, can hurt you somehow

Figure: Twice for Heads and Twice for Sides

Now the Heads **Promenade** half way you go, down the middle **Square Thru** four you know
Go all the way then a **Right & Left Thru, Veer Left, Ferris Wheel**
Centers **Square Thru 3** hands round and then, **Swing** that corner girl **Promenade** again
You only want the ones that you can't get.

Middle Break

Sides Face Grand Square

Desperado, oh you ain't getting no younger
Your pain and your hunger, they're driving you home **Allemande & Weave**
And freedom, oh freedom, well that's just some people talking
Your prison is walking through this world all alone.

Closer

Sides Face Grand Square

Desperado, why don't you come to your senses
Come down from your fences, open the gate **Allemande & Weave**
It may be raining, but there's a rainbow above you
You better let somebody love you (let somebody love you), you better let somebody love you
