In the twilight glow I see them  
Blue eyes cryin' in the **Allemande & Weave**  
When we kissed good bye and parted,  
I knew we'd never meet again.

**Figure: Twice for Heads and Twice for Sides**

**Heads Promenade** take it **Half**, down the middle do the **Right & Left Thru**

Now the **Sides Square Thru**, with the **Heads** make a **Right Hand Star**

Now the **Sides Star Left**, find the corner **Swing, Promenade**

I knew we'd never meet again

**Middle Break**

**Sides Face/Grand Square**

Love is like a dyin' ember,  
only memories remain **Allemande & Weave**  
Through the ages I'll remember  
Blue eyes crying in the rain.

**Closer**

**Sides Face/Grand Square**

Someday when we meet up yonder  
We'll stroll hand in hand again. **Allemande & Weave**  
In a land that knows no partin'  
Blue eyes crying in the rain.
