**Opener**

**Circle Left**

Stars shining bright above you  
Night breezes seem to whisper, “I love you”  
**Walk Around Your Corner, See Saw** your own  
**Allemande Left & Weave the Ring**  
Say “nighty-nite” and kiss me  
Just hold me tight and tell me you’ll miss me  
While I’m alone and blue as can be  
Dream a little dream of me.

**Figure: Twice for Heads and Twice for Sides**

**Heads Promenade** and travel **halfway** round,  
Walk in and **Square Thru** four hands you go now  
All the way and make a **Right Hand Star**  
**Heads Star Left** in the middle and then  
**Square Thru three** hands around and then **Trade-  
By, Swing** your corner round and **Promenade** her  
While I’m alone and blue as can be  
Dream a little dream of me.

**Middle Break/Closer**

**Grand Square**

Stars fading, but I linger on dear  
Still craving your kiss  
I’m longing to linger ‘til dawn dear  
Just saying, **Allemande Left & Weave**  
Sweet dreams ‘til sunbeams find you  
Sweet dreams that leave all worries behind you  
But in your dreams, whatever they be  
Dream a little dream of me.
