“Crying in the Rain”
(Key of E)
Everly Brothers – 1962
Art Garfunkel/James Taylor - 1993
Called By: Shauna Kaaria – Producer

Opener

Circle Left

I'll never let you see
The way my broken heart is hurtin' me
Left Allemande, Turn the Partner Right,
Allemande Left and **Weave** the ring
If I wait for cloudy skies
You won't know the rain from the tears in my eyes
And though the heartaches remain
I'll do my crying in the rain.

Figures

Heads Promenade Half you do
Down middle **Square Thru** just **Two**
Swing Thru, Spin the Top
Boy move up and **Slide Thru**
Touch a Quarter, Scoot Back and **Swing**
Swing the corner, **Promenade** the ring
And though the heartaches remain
I'll do my crying in the rain.

Middle Break/Closer

Grand Square

A raindrop falling from heaven
Could never wash away my misery
Since we're not together, I'll look for stormy weather
To hide these tears I hope you'll never see– **Allemande & Weave**
Some day when my crying's done
I'm gonna wear a smile and walk in the sun
I may be a fool but 'til then darling you'll never see me complain
I'll do my crying in the rain

Tag

I'll do my crying in the rain.
