Opener

Circle Left

Don't mean to get a little forward with you
Don't mean to get ahead of where we are
Walk Around your corner, then you **See Saw your own** now
Allemande Left and you **Weave** that ring
It's been a while since I felt this feeling
Swing and then you all **Promenade**
It's been too long since somebody whispered
Oooooo...Shut up and kiss me.

Figure: Twice for Heads and Twice for Sides

Heads you Promenade go **halfway** around now,
Walk in the middle and you **Square Thru** four
Go all the way and then a **Right & Left Thru**
Veer Left, and **Couples Circulate** you go,
Chain Down that Line, then you **Square Thru 3**
Find your corner, **Swing** and all **Promenade**
It's been too long since somebody whispered
Oooooo...Shut up and kiss me.

Middle Break

Sides Face Grand Square

There's something 'bout the silent type
Attracting me to you
All business baby, none of the hype
That no talker can **Allemande Left** and **Weave**
<Guitar Solo – 24 beats>
Oooooo...Shut up and kiss me.

Closer

Circle Left

Come closer baby I can't hear you
Just another whisper, if you please
Walk Around your corner, then you **See Saw** 'round your own now
Allemande Left and then you **Weave** that ring
Oh baby when I feel this feeling
It's like gen-u-ine voodoo hits me
It's been too long since somebody whispered
Oooooo...Shut up and kiss me.
